SPRING / SUMMER 2024

an *outdoor* season

Some want a sanctuary. Others want to entertain into the small hours. Our outdoor collection caters to all needs, whether you have a large garden, small balcony or patio.

The popular Helo range is extended with lounge chairs and café sets while metals and cement turn into planters. Unbeatable items that refresh your space and create cosy nooks wherever you place them.

As indoor and outdoor living merge into one, our designs are suitable for both indoor and outdoor use. Make the most of the wide range of materials, textures and colours in any room you like.

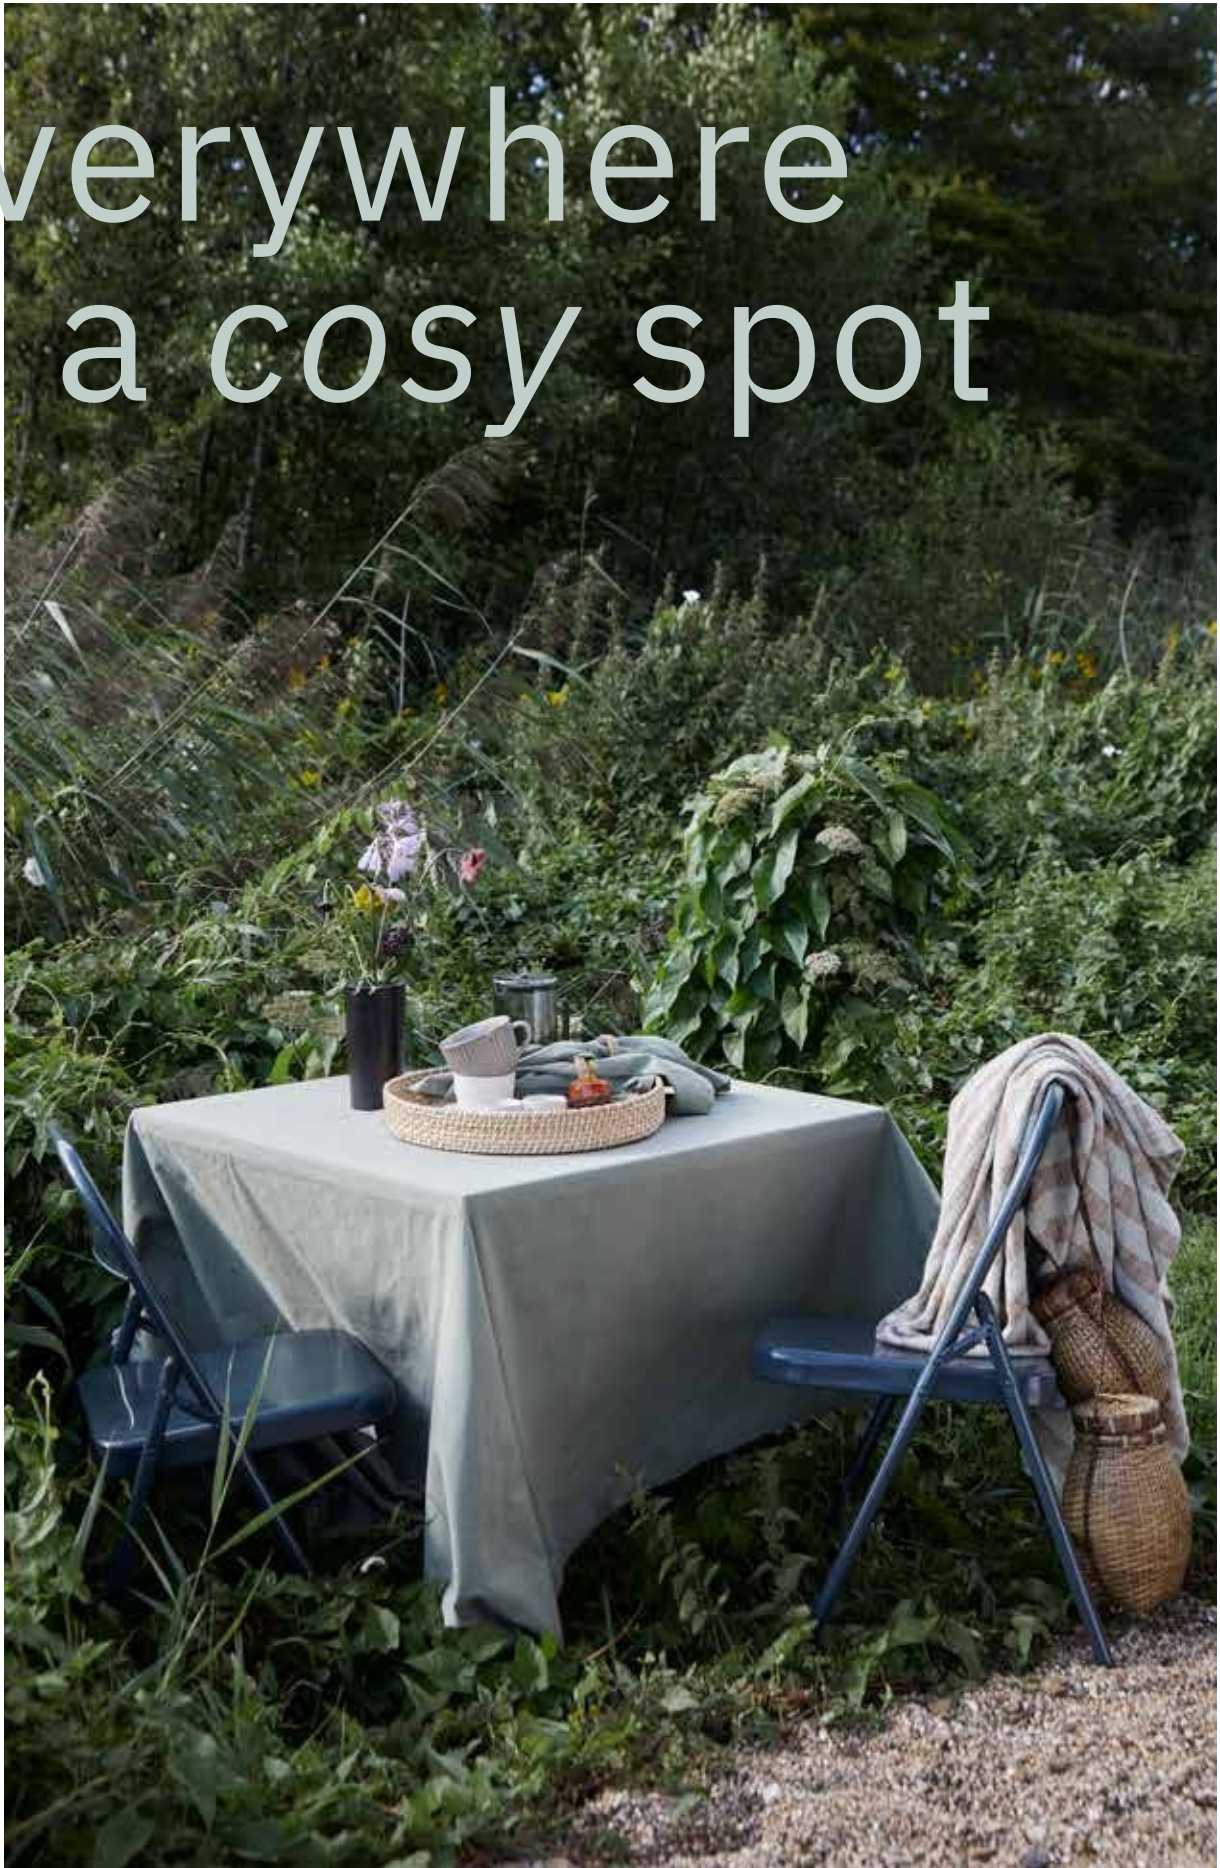

Be the first to present the new arrivals and grab the attention of garden-loving customers.
