Spring cleaning for body and home

Meraki embraces Spring and the new beginnings that come with every new season. A wide range of new products are welcomed into the family; from kitchen to storage and skincare.

Cleaning your home becomes instantly more manageable with two new cleaning products. Enjoy a spotless home with a subtle floral and citrus scent. Another newcomer for your kitchen is the anti-odour hand soap which neutralises unwanted smells from cooking.

Pamper your skin with new items in the Meadow Bliss range and keep your intimate area healthy with a new sensitive wash. An exciting addition which also doubles as a body wash.

Soft cotton textiles and minimalist storage complete the collection and organise your bathroom. Surround yourself with refined details and find calm knowing that everything is in its place.
